

2011 Nebraska IMMERSE Schedule

as of July 18, 2011

Program Format: The core of the program consists of two independent “courses,” one in algebra and one in analysis, taught by the IMMERSE faculty and graduate mentors. The activities for each course are scheduled in 3-hour time blocks or “modules,” which consist of a mix of lecturing, group work, individual problem-solving, optional tutorials or computer work. The exact activities will vary from day to day. A typical week will have four algebra modules, four analysis modules, and a free block and an organized social activity, as follows:

	Monday	Tuesday	Wednesday	Thursday	Friday
8:45 – 11:45	Algebra	Free	Analysis	Analysis	Algebra
11:45 – 1:30	Lunch	Lunch	Lunch	Lunch	Lunch
1:30 – 5:00	Analysis	Algebra	Algebra	Social	Analysis

In the afternoon block, there is be a half hour “tea time” break from 3:30 to 4:00.

There will be many deviations from this standard schedule, particularly in the first few days and when the guest lecturers are here. Some schedule changes are listed below and more will be announced later. All modules meet initially in Avery 351. Some activities will be in Avery 12 (a high-tech classroom) or Avery 348 (the lounge).

Deviations from the Standard Schedule

Sunday, June 12

6:15	Meet at Knoll Entrance	
6:30 – 8:00	Dinner (Noodles & Co.)	Avery 348

Monday, June 13

9:00 – 9:45	Welcome and Introductions	Avery 348
9:45 – 10:00	Photo time	Avery 348
10:00 – 11:00	Computer Network Orientation & T _E X intro	Avery 18
11:00 – 11:30	Tour of Avery Hall and campus	
11:30 – 1:30	Lunch	Selleck Hall
1:30 – 5:00	Algebra Block	Avery 351

Tuesday, June 14

8:45 – 11:45	Analysis Block
11:45 – 1:30	Lunch
1:30 – 5:00	Algebra Block

Thursday, June 16

5:30 – 7:00	Special Dinner, Old Chicago (826 P St.)
-------------	---

Tuesday, June 21

8:45 – 10:45	Free
